Lawatan ke Projek-Projek Komuniti Bawah Kendalian APPGM-SDG bersama Rakan Solusi oleh Para Peserta Asia-Pacific Business Forum

Visit to Community Projects managed by APPGM-SDG together with Solution Partners by participants of the Asia-Pacific Business Forum

Para peserta delegasi yang menghadiri Asia-Pacific Business Forum anjuran KSI pada 10 April 2025 yang lalu telah melawat projek-projek dibawah APPGM-SDG. Datuk Dr. Denison telah berkongsi gerak kerja dan pendekatan APPGM-SDG bersama delegasi dari Asia-Pacific Business Forum. Sesi ini membuka ruang untuk memperkenalkan inisiatif penyetempatan SDG Malaysia dan menggalakkan kerjasama rentas negara dalam pembangunan mampan. Antara yang hadir termasuk wakil dari UNESCAP, Google, En+ Group, RiverRecycle Oy, Trinasolar Asia, dan agensi kerajaan dari India dan China. Kehadiran mereka memberi ruang untuk memahami lebih dekat inisiatif komuniti berimpak yang dilaksanakan di lapangan.

A group of delegates who attended the Asia-Pacific Business Forum organised by KSI on 10 April 2025 visited our project sites the following day. Datuk Dr. Denison and the secretariat of APPGM-SDG shared our initiatives and strategies with delegates from across Asia and the Pacific at the Asia-Pacific Business Forum. The session provided a valuable platform to showcase Malaysia's SDG localisation efforts and explore opportunities for regional collaboration. Participants included representatives from UNESCAP, Google, En+ Group, RiverRecycle Oy, Trinasolar Asia, and government bodies from India and China. The visit offered them a closer look at impactful community-driven initiatives on the ground.

Bengkel Pembangunan Kapasiti Penyelaras Tempatan

The Local Coordinators Capacity Building Workshop

Selama tiga hari, seramai 46 Penyelaras Tempatan Inisiatif Intervensi Dasar dari seluruh negara telah mengikuti Bengkel Pembangunan Kapasiti di Hotel Armada, Petaling Jaya — Inisiatif ini adalah sebuah usahasama antara APPGM-SDG dan Yayasan Hasanah. Bengkel ini memberi pendedahan mendalam kepada peserta mengenai Kajian Kemiskinan Multidimensi (MPI) serta peranan strategik mereka dalam modul pembangunan kapasiti pemimpin tempatan dan agensi kerajaan di peringkat daerah.

Kami merakamkan penghargaan setinggi-tingginya kepada semua Penyelaras Tempatan atas semangat, dedikasi dan komitmen mereka. Anda adalah penggerak utama dalam memastikan penyetempatan SDG benar-benar berakar umbi. Selamat maju jaya dalam pelaksanaan intervensi dasar di kawasan masing-masing — kami percaya anda akan membawa perubahan yang bermakna.

Over the past three days, 46 Local Coordinators for the Policy Solutions Initiative from across Malaysia gathered at Hotel Armada, Petaling Jaya for an intensive Capacity Building Workshop — This strategic initiative is a collaborative effort between APPGM-SDG and Yayasan Hasanah. Participants were equipped with tools to conduct Multidimensional Poverty Studies (MPI) and trained on capacity building modules for community leaders and government agencies at the district level.

We extend our heartfelt appreciation to all our Local Coordinators for their dedication and spirit. You are the heart of our mission to truly localise the SDGs. Wishing you all the best as you implement impactful policy interventions in your constituencies. Your work is vital for lasting change.

Blue Economy Regional Workshop

91

Syadhira menghadiri hari pertama Bengkel Serantau Blue Economy di Batam, Indonesia, yang menampilkan pakar global membincangkan peranan ekonomi biru sebagai pemacu baharu pertumbuhan ASEAN. Antara dapatan menarik termasuk penemuan bahawa 60% sampah di pulau terpencil Indonesia berpunca dari kawasan lain, menekankan keperluan kerjasama serantau dalam pengurusan sisa marin. Selain itu, projek berasaskan rumpai laut berjaya menyerap sebanyak 61,488 tan karbon. Turut menarik perhatian ialah pembentangan dari Fiji mengenai Kawasan Perlindungan Marin serta penjelasan wakil Bursa Malaysia berkenaan pasaran karbon biru dan perbezaan antara pengurangan dan penyingkiran karbon. Majlis perasmian turut diserikan dengan ucapan maya oleh Duta Besar A.S. ke Indonesia, Kamala S. Lakhdhir.

Syadhira from the MySDG Centre attended the first day of the Regional Blue Economy Workshop in Batam, Indonesia, which featured global experts discussing the role of the blue economy as a new driver of ASEAN's economic growth. Key takeaways included findings that 60% of waste on remote Indonesian islands originates from other regions, highlighting the need for regional cooperation in marine waste management. Additionally, a seaweed-based project successfully absorbed 61,488 tonnes of carbon. Other highlights included a presentation from Fiji on Marine Protected Areas and a representative from Bursa Malaysia who explained the blue carbon market and the difference between carbon reduction and removal.
