Lawatan Rasmi Prof. Dr. Muhammad Yunus ke Malaysia *Official Visit of Prof Dr Muhammad Yunus to Malaysia*

Ketua Penasihat Kerajaan Bangladesh, Prof Dr Muhammad Yunus, berada di Malaysia bagi lawatan rasmi selama tiga hari, di mana beliau telah menerima Ijazah Kehormat Doktor Falsafah dalam bidang perniagaan sosial. Datuk Dr Denison Jayasooria dan Puan Rahmah Othman turut berkesempatan menyertai sesi ini. Menurut Datuk Dr Denison, meskipun kini dikelilingi pegawai kerajaan dan pengawal peribadi, Prof Yunus masih menampilkan sifat rendah diri serta kepimpinan berjiwa rakyat. Dalam perbincangan, Prof Yunus menekankan bahawa kapitalisme akan menuju kehancuran sekiranya hanya berorientasikan keuntungan tanpa mengambil kira aspek sosial dan alam sekitar. Beliau menggesa supaya teknologi dimanfaatkan untuk melahirkan pencipta pekerjaan, bukan sekadar pencari pekerjaan. Satu teladan kehidupan yang wajar dicontohi semua ahli akademik—daripada dunia ilmu ke impak di peringkat akar umbi.

Prof Dr Muhammad Yunus, Chief Adviser of the Government of Bangladesh, made an official three-day visit to Malaysia, during which he was conferred an Honorary PhD in Social Business. Following the ceremony, a smaller interactive session was held at Zecon Hotel, Kuala Lumpur, co-organised by UKM and the Yunus Social Business Centre. Datuk Dr Denison Jayasooria and Puan Rahmah Othman had the privilege to participate. Datuk Dr Denison observed that although Prof Yunus is now surrounded by government officials and bodyguards, he remains the same humble and people-centred leader. During the dialogue, Prof Yunus emphasised that capitalism is on a path of self-destruction if it focuses solely on profits without social and environmental concerns. He urged us to leverage technology to become job creators rather than job seekers. His life journey stands as a testimony for academics to emulate—impacting not only the academic world but also grassroots communities.
